Gemini

The speaker maintains direct eye contact with the camera throughout the segment. Initially, her lips are pulled back and upwards into a wide smile, exposing her upper teeth, and her eyebrows are slightly raised. She then raises both hands, extends her index fingers, and points them forward. As she does this, her mouth opens and her lips form rounded shapes. Her head tilts slightly forward in coordination with the hand gesture.

I JUST WANNA
SAY THAT
I LOVE YOU

text

Gemini

The transcript contains a direct statement using the first-person pronoun "I" and the second-person pronoun "you." The utterance includes the colloquialism "wanna" for "want to." The core of the message is the declarative phrase "I love you."

audio

Gemini

The speaker's vocal pitch is in a mid-to-high range with a varied, melodic contour. The utterance concludes with a distinct rising inflection on the final word. The speech is delivered at a moderate pace with clear articulation. The volume remains consistent, and the vocal quality is clear, without audible strain or trembling.
